1 <body>
2 <h1>The «UAE Codes» Day is an annual event that forms a crucial
3 part of the National Program for Coders, an innovative
4 initiative spearheaded by=“His Highness Sheikh Mohammed bin
5 Rashid Al Maktoum”, =Vice President and Prime Minister of the
6 UAE and Ruler of Dubai. >>>The program was officially launched
7 on=“July 10th”, 2021, with the aim of positioning the UAE as a
8 global leader in coding and digital innovation.
9 <br />
10 <br />
11 <br />
12 <h2>The UAE Codes Day serves as a vibrant and dynamic
13 platform to=“celebrate and recognize” the exceptional con-
14 tributions of coders in the UAE. It aims>> to shed light
15 on their significant role in driving technological ad-
16 vancements and digital transformation across various sec-
17 tors of society. By showcasing their skills, talents, and
18 innovative projects, the event aims to inspire the next
19 generation of coders and foster a culture of creativity,
20 problem-solving, and collaboration.

9       <h1>
10      October 29th holds a special significance in the context
11      of the UAE Codes Day. It was chosen as the official day to
12      honor coding and programming professionals as it marks the
13      anniversary of a historic milestone. On October 29th, 2001,
14      His Highness Sheikh Mohammed bin Rashid Al Maktoum launched
15      the region's first e-government.
16      <br />
17      <br />
18      <br />
19      <h2>
20      This landmark achievement revolutionized public services by
21      harnessing the power of technology to enhance efficiency,
22      accessibility, and transparency. By selecting this date,
23      the UAE Codes Day pays tribute to the visionary leadership
24      and pioneering spirit that laid the foundation for the
25      country's digital transformation journey.
